

FEE SCHEDULE

Teaching

Rates are per student. Two siblings splitting a lesson time is billed as a single lesson at the standard rate for that time frame; each child has a private lesson for roughly half of the time slot. Two unrelated students sharing a lesson time each pay the "shared lesson" rate; both students are involved for the entire lesson time. Tuition covers lesson time only; books, materials, competition fees and the like are paid separately.

Payment for the month's lesson and for any books and materials is due at the first lesson of each month. No refunds will be made for students who terminate lessons mid-month. Entry fees for outside events are paid by the parent when due. All students are required to pay a non-refundable fee of \$50 (\$75/family) with their registration. There will be no refunds for missed lessons. Stephanie reserves the right to raise fees at the beginning of each new teaching year.
